About Us...

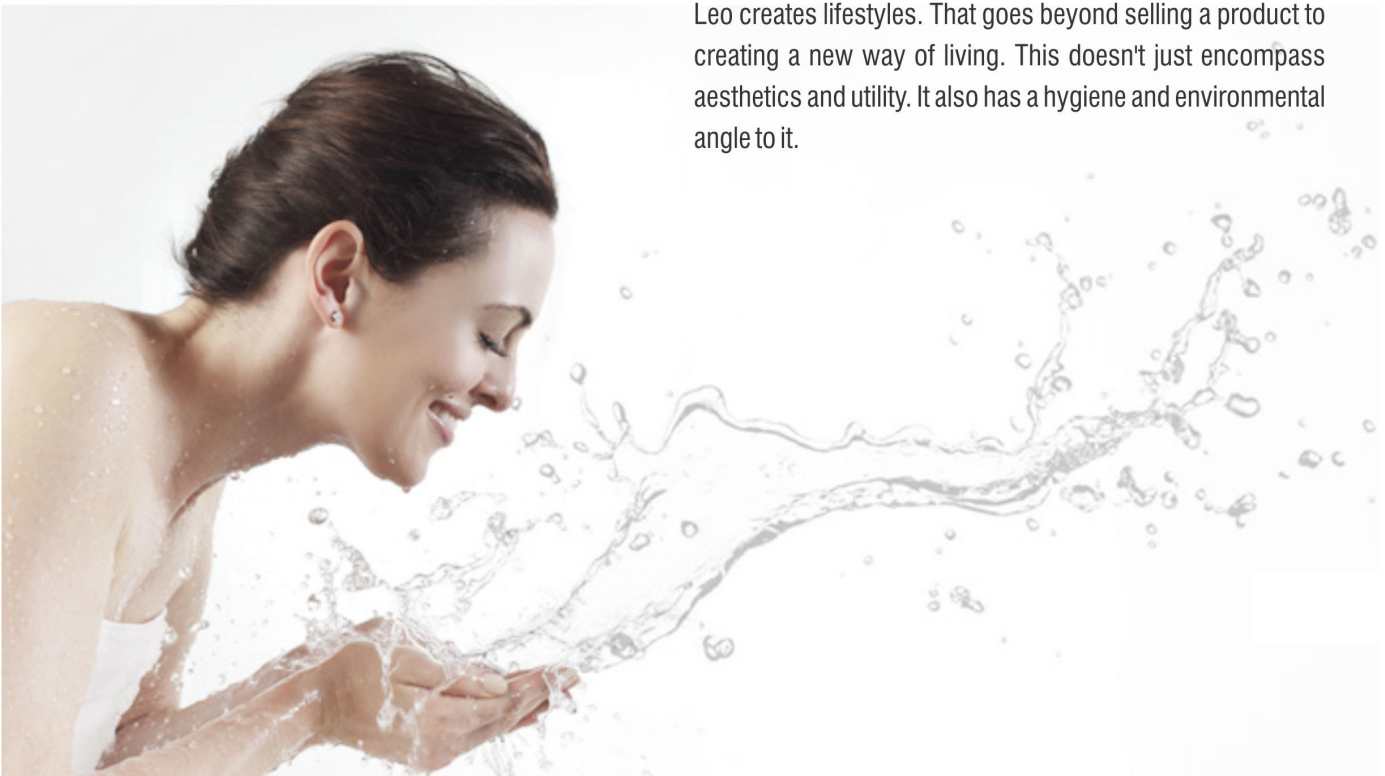

Leo Bath Fittings has been associated with quality, benchmark technology and aesthetic appeal. The company is the leading manufacturer of Bath Fittings & Accessories. It has extensive reach across India with a wide network of distributors. Its large legion of discerning customers includes eminent architects, renowned builders and satisfied end-users.

Leo Fittings

The collections have been thoughtfully designed and collated to demonstrate style, using the finest quality materials and modern manufacturing techniques, combined with many functional creative and innovative features, ensuring total product satisfaction.

Design & Quality

Leo creates lifestyles. That goes beyond selling a product to creating a new way of living. This doesn't just encompass aesthetics and utility. It also has a hygiene and environmental angle to it.
